

Coastal Hazards

Coastal Hazards Program

- Serve on Local , State, Regional and National Coastal Hazards Taskforces
- Provides outreach opportunities ie. Workshops and presentations
- Submits grant proposals for CRD's Coastal Hazards Program(NOAA 309, NOAA Climate Program Office)
- Promotes CIG grant proposals under Disaster-Resilient Communities theme.

Post-Disaster Redevelopment Planning

- Look at policy restrictions
- Develop a model plan for coastal Georgia incorporating Sea-Level Rise
- 1 Ocean Facing Pilot Community
- 1 Inland-coastal Facing Community

Needs

- Economic Evaluation of Climate Change Impacts
Action vs. Inaction
- Saltwater Intrusion impacts from Sea-Level Rise
- Comprehensive Coastal Vulnerability Assessment
that includes Climate Change impacts
- Ocean Acidification Impacts to Coastal GA
