

Anthony Siccardi
Assistant Professor
Georgia Southern University
Asiccardi@georgiasouthern.edu

Research Interests:
Aquaculture/Aquaponics
Microalgae & Algal Turf Scrubbers

Aquaculture Research

Sustainable Aquaculture

Sustainable feeds

Fish meal replacement

Marine oil replacement

Sustainable Systems

IMTA

Aquaponics

Algae Research

Algal Turf Scrubbers

- Environmental restoration

 - Excess nutrient removal

- Biomass production

 - Aquaculture feeds

 - Soil amendment

 - Biofuels

Microalgae

- Aquatic feeds
