Updates to the Coastal Stormwater Supplement

Coastal Stormwater Supplement to the Georgia Stormwater Management Manual

First Edition
April 2009

Marine Extension and
Georgia Sea Grant
UNIVERSITY OF GEORGIA

Sea Grant

Funding for this contract is provided by the Georgia Department of Natural Resources, Environmental Protection Division through a grant from the U.S. Environmental Protection Agency under the Provisions of Section 319(h) of the Federal Water Pollution Control Act, as amended.

Management Needs

- Continued collaboration for consistent messaging and outreach/training initiatives
- Deeper understanding of compound flooding and coastal implications
- Future conditions floodplain maps coastwide

Thank You
